

**CANDIDATE FOR CITY COUNCIL MEMBER  
CITY OF BIG BEAR LAKE**

**NAME: DARRELL MULVIHILL**

**OCCUPATION: Incumbent**

For 7 years I have taken great pride in serving as your Councilman and Mayor. I am a fiscal conservative, and my philosophy has always been a common sense approach to Government. My business background of 30-years was specialized in marketing, labor relations, human resources, and conflict resolution.

During the past 7 years, I have participated in the achievement of the following major accomplishments.

- A balanced budget every year
  - Additional affordable homes
  - Leadership for the Council to reach out to other government Boards
  - Increased call boxes on SH330 between the dam and Running Springs
- Increased the number of cell phone towers in the City  
Supported Veterans Park and Boulder Bay Park

It is my goal that the Council focus on improving our infrastructure, creating defensible space for fire safety, reduction in spending, providing additional affordable housing, and develop an affordable water source.

As you know I am always available to you, and attend the majority of all events in an effort to remain in contact with all Citizens. Having the time and the passion to serve, as the People's Representative has always been my priority. I ask you to return me to the City Council this November.
